“*Their coaching has helped us work together better as a team; build trust within our various groups, and opened the doors to holding each other accountable for our promises yet maintaining a strong team atmosphere. Their coaching has improved our relationships with each other and to our clients and vendors.*”

“*What a great experience it has been to work with Powerhouse Learning. The effect of this for me is better, more productive relationships with my employees, peers, children, family and friends. Thank you for a real experience. Far from just another consulting firm!*”
